Hi Chris, I've attached the narrative associated with the 2008 wetlands delineation. This is appendix F of the March 31, 2008 Tetratch Report titled "Draft Lower Silver Creek Data Summary Report."

I'll send, in subsequent emails, maps associated with the report as well and followup with a wrap up email to let you know how many emails I've sent. I'm guessing three additional emails.

I also have appendices A-K to this report, but the document is 17 MB, so I doubt I can send it over email.

Thanks, Rob
